

Declarer Play: Beyond Basics

You are reviewing the results of today's game and wondering, "Why did my opponents make one trick more than I did? What am I missing?" These workshops are designed to help you visualize what other Declarer's do as instinct.

Join us Tuesday mornings, 10:00 to 12:00, at the Hilton Head Island Bridge Club. No book is required and handouts are provided each week. Cost is \$15 per person.
